picoCTF:- Packets Primer

First download the resources of this challenge

U will get network-dump.flag.pcap file

use strings command i.e

→ strings network-dump.flag.pcap

U will directly get the flag with spaces in between i.e

p i c o C T F { p 4 c k 3 7 _ 5 h 4 r k _ 0 1 b 0 a 0 d 6 }

Just remove the spaces and u will get the flag

done!!
